Memorandum for: The Director

1. In view of the fact that the record in this case is now closed and the final volume of hearings is about to be published, there is some question as to whether this will be included in the printed hearings.

2. There is attached herewith volume 1 of the hearings already published which mention CIA on pages 44-45, and a copy of pertinent extracts from testimony given in executive session by Mr. Cole, the Deputy Public Printer, which will not be published.
